The [#EIPaso](#) [@Walmart](#) shooter was radicalized in Dallas, Texas by his white supremacist mentor, [@realDonaldTrump](#). The [@fbi](#) needs need to arrest Trump now!!

🔥 [@FBIPhoenix](#) has declared conspiracy theorists as a domestic terrorist threat!! Trump and the [@GOP](#) actively promote and distribute these conspiracies which make them culpable in murder 🔥

🔥 Those who voted for Trump and remain silent in the face of his racism and bigotry and turn a blind eye to look out for their [@NRA](#) donors, they are responsible. Their hands bear the blood of the victims who lost their lives as a result of the racism that Trump exploits 🔥

🔥 The [#walmartshooter](#) motive: He spoke approvingly of President Trump, especially the “send her back” chants directed at Congresswoman Ilhan Omar. And his social media feed was full of MAGA quotes like [#BuildtheWall](#) 🔥

🌟 BREAKING NEWS 🌟 [@FBIPhoenix](#) said that the spread of conspiracy theories will cause more violence. Patrick Crusius was paying attention to [@realDonaldTrump](#)'s Twitter feed 🙄
