1 The Trumps need a miracle to get out of the monster mess they created. This pause feels manufactured to work out a Trump exit. Panicky Barr can't release a report & indictments are on hold w/ Trump in office. It's a Nat Security issue. Multi threads..

3 Unique Issues dominate.  
Problems:  
1 Nat Security  
2 Trump is an agent of Russia  
3 He's in mid stage dementia  
4 He can pardon ppl  
Solution:  
1 Ease him out w/ leniency offer  
2 Delay indictments till he's gone- crucial to prevent pardons & chaos while preserving Nat security

2 Trump hasn't responded to the NYT & Raw Story pieces about being tired & maybe not running in 2020. That's another sign the groundwork is being laid for his exit. Trump is functioning at 50% due to his steadily worsening dementia. Not running or resigning for was always certain

3 A 2020 Trump campaign was never real. Mueller & SDNY aside, his health wouldn't allow it. It's impossible for MTM to understand this. Trump 2020 was a money maker & a bargaining chip. The leak of Trump's health by Kushner & Ivanka to MH is a white flag

The Trump 2020 talk is a charade to:  
-get campaign money he can pilfer  
-attempt to say Mueller is interfering w/ his reelection  
-use as a bargaining chip "I won't run again, if you go easy on me"

4 Kush & Ivanka live in a fantasy world where they can pull off any caper. Getting out of epic crimes & treason will fail, as will:

- Coverup the coverup of Trump's dementia. The docs, drugs etc
- Use Trump not running to bargain
- When that fails, use Trump resigning to bargain

5 The Trumps are encircled now. A peaceful exit will happen & yes, they will be held accountable. "When you surround an opponent, leave an outlet free. Do not press a desperate foe too hard. The supreme art of war is to subdue the enemy without fighting." Sun Tzu, The Art of War
